The Bridge Builder Excellence Community Pledge

I am a **Bridge Builder**.

I am inspired to **educate, encourage, and empower** myself and others to excellence.

I am committed to helping South Carolina students discover their unique gifting and to **educate, encourage, and empower excellence to be college and career ready**.

I am committed to maintaining a positive attitude and respecting myself and all I encounter in the community.

I am aware that our state and communities need to **“lead together”** for a socially and economically strong South Carolina community.

I am standing against the “Tormentors” (abusers, haters, negativity, poverty and other challenges) in our communities in whatever shape or form they may appear!

I am a **Bridge Builder**.

Together, I believe we can lead South Carolina students to be in the top 10 in the country in college and career readiness by *December 31, 2030*.

Today, I commit to being a *part of the solution* by joining this **Bridge Builder Excellence Community!**
